

Fifth Revised Edition Fifth Revised Edition

Every slide rule ever made by A.W. Faber and A.W. Faber-Castell

This book describes all the slide rules manufactured by A.W. Faber and A.W. Faber-Castell. It contains information about each series of models, the scales, the patents and the materials used. It also provides detailed clues on how to date every slide rule made by this manufacturer. It represents an invaluable source of information for all lovers of these unique analogue calculating aids.

- dual language
- all models
- all scales
- all information

Compiled in co-operation with:

- Dieter von Jezierski
- Günter Kugel
- David Rance

- hardback
- 160 pages
- A5 format

Price by air mail incl. packing & postage

- Europe: 15 Euro
- World wide: 15 Euro

Table of Contents

First edition, 128 pages
July 2009
